IES FOUNDATION YEAR

FOR THE UNIVERSITY OF QUEENSLAND

IES FOUNDATION YEAR NEW CAMPUS SCHOLARSHIPS FOR MALAYSIAN STUDENTS

New Campus Scholarships are available to all Malaysian students to celebrate the official opening of IES College's second and third campuses. The scholarships are available for entry into all 2018 and 2019 Foundation Year programs, i.e. the Standard, Express and Extended programs.

AVAILABILITY AND BENEFITS:

- For Malaysian students
- Entry into all foundation year programs in 2018 and 2019
- 25% of the total Foundation Year tuition fees
- Several scholarships available per semester

Note: Conditions apply. Unless stated otherwise, scholarships may not be used simultaneously. E.g. If a student's application for a 50% academic scholarship is successful, they will no longer be eligible for the 25% New Campus Scholarship.

TENABLE AT:

IES College (IES Foundation Year).

- Scholarships are automatically applied to the second semester instalment of IES Foundation Year tuition fees, which means the scholarship amount reduces the tuition fee for the second semester.

ELIGIBILITY:

To be considered for scholarship, a student must:

- Be a Malaysian citizen and normally reside in Malaysia
- Meet the entry requirements for IES Foundation Year
- Commence IES Foundation Year in any of the 2018 or 2019 programs/intakes
- Apply through an IES approved agent

APPLICATION PROCEDURE:

- Submit a Foundation Year application form: available from your agent.
- Include school results from last two years.
- This is an automatic scholarship. Upon acceptance of the offer, it will be applied to the second semester instalment of IES Foundation Year tuition fees.

IES FOUNDATION YEAR

FOR THE UNIVERSITY OF QUEENSLAND

IES COLLEGE

IES Foundation Year prepares international students for study at The University of Queensland (UQ). Upon successful completion of the program, you are guaranteed entry into most undergraduate programs at UQ (quotas apply in some programs).

Three programs are available: Standard, Express and Extended. Program selection is based on your academic results and English proficiency. Each program is tailored to your needs and undergraduate aim.

Studying IES Foundation Year, you will join a multi-cultural environment of students from more than 40 countries preparing to enter programs such as Engineering, Health Science, Business, Science, Arts and Information Technology - all fields for which UQ is renowned. You will have access to state-of-the-art facilities, award winning student services team and join a friendly and nurturing environment to ensure you get the most out of your studies.

Secure your Advantage with IES Foundation Year and join more than 8,000 alumni who have successfully progressed into UQ.

THE UNIVERSITY OF QUEENSLAND (UQ)

Founded in 1910, UQ is one of Australia's most highly ranked and awarded learning and research institutions that is internationally renowned for its quality programs, excellent teachers, world-class facilities and leading researchers.

The university is consistently ranked well inside the top 50 and top 100 of the world's more than 10,000 universities in a number of major independent university rankings. UQ is also a founding member of the Group of Eight Universities and one of only three Australian members of Universitas 21.

UQ has provided the stepping-stone for thousands of graduates to become leaders in all areas of society and industry, making it one of the most prestigious universities in the world. IES Foundation Year graduates make up nearly 30% of international students in UQ undergraduate programs.

Students entering the Great Court at The University of Queensland

Chanelle Sim

Malaysian Scholarship Recipient

"The most enjoyable and exciting part of studying IES Foundation Year is the people I am surrounded with in school everyday."

I joined IES Foundation Year because it is the foundation program for one of the top universities in Australia: The University of Queensland. IES Foundation Year has helped me secure my place there.

I want to study a bachelor of Engineering and UQ has a very good reputation for engineering programs. Winning the IES Foundation Year scholarship motivated me to work harder and smarter to pursue my dream.

IES Foundation Year can guarantee your entry into UQ and it gives you all the skills you will need at university. It is a great experience.
